Why this programme

WHY THIS PROGRAMME

Admission by application - no joint entrance examination

Applicants are assessed comprehensively on their development potential, career direction and background, with no need to take a joint entrance examination or postgraduate entrance examination.

Study while working - flexible scheduling

Part-time study allows professional advancement and career development to proceed in parallel, helping you better seize future opportunities.

UK degree · International perspective

After completing the course requirements, students receive a degree certificate awarded by Coventry University, expanding possibilities for career development.

Knowledge that serves your goals

PROFESSIONAL PERSPECTIVES

Learn more. Broaden your professional horizons.

Marketing Psychology

Support for your learning. Direction for your growth.

LEARNING & DEVELOPMENT

After-class support

Based on students’ needs, after-class Q&A sessions, peer study groups and offline implementation activities may be organised.

Graduation services

After completing the credits required by the University, students receive their degree certificate. They may attend the graduation ceremony at the University’s home campus or receive the certificate by post.

Keep progressing towards a better you

YOUR NEXT CHAPTER

Bring learning into your working life

Using the programme as a starting point, continue to deepen understanding through reading, discussion and research. Let every stage of learning build strength for the next stage of development.

Alumni voices

ALUMNI VOICES

“

They are very welcoming and make everyone feel comfortable. They also share their career journeys with us, and it is really great to learn from people with industry experience.

Emmanuel Ogedengbe • Global Business MBA

“

I decided to pursue a master’s degree to improve my employment prospects. Coventry University was my first choice.

Sijin Cherijan • MSc International Business Management
